## Family Agreement

At Catholic Academy of Waterbury, we know from research and years of professional experience, that raising the bar for our students in all areas inspires them to reach higher. This is the case for their daily decorum, and we are proud to partner with you to ensure our scholars not only meet, but exceed their peer counterparts in society spiritually, academically, socially, and emotionally. Let's raise that bar together!

# FAQs

## Uniform Vendors

All Daily CAW uniforms are to be purchased through Tommy Hilfiger online. Use their size guides to support your ordering needs.

All gym uniforms are to be purchased through PonyExpressIt, a local vendor who will have an online store for us.

## Recommended Shopping Locations

Walmart, Amazon, Target, and other retailers are great places to find footwear, hosiery, and belts! While we encourage white oxfords and blouses to be purchased through Tommy Hilfiger, these retailers are also great options for those items if you need them in a pinch.

## What Is No Longer Permitted?

The uniforms laid out in this document are the only items permitted.

Grey polos, white polos, and green polos are no longer permitted.

Grey sweaters are no longer permitted.

Navy pants are no longer permitted and have been replaced with khaki.

Vans shoes are no longer permitted unless that is your sneaker choice for gym day.

Hoodies of any kind are no longer permitted. They are not permitted on gym days either. They will only be permitted on dress down and spirit wear events.

While CAW fleece items are available on the Tommy Hilfiger website, they are not for classtime wear. They are for outerwear purposes as an option for families to purchase.

## Sweaters & Ties

Sweaters and male and female ties (as specified in this document) are required for all students wearing white oxford shirts during the winter uniform time. Cardigan sweaters are only for students wearing jumpers in Pre-K through Grade 3. Only Pre-K through Grade 3 girls are not wearing ties with jumpers. If they choose the pants option, ties are required..

## Dress Down Days

While dress down days are a small source of fundraising for the school, they often detract from the learning environment. Additionally, with the additional costs we know will be incurred with adapting to the new version of the uniform, there will be far fewer paid dress down days in the coming years. Thank you!
